ROW OF LAWYERS HALTS HUMES TRIAL

Counsel for Graham Waxes Profane in Opening of Alienation Action.

CALL NAVY MAN SLACKER

Lieutenant Cruel and Lived Off Bride's Estate, Is One of Allegations.

Special Despatch to THE NEW YORK HERALD.

New York Herald Bureau, Washington, D. C., Nov. 28.

A spectacular clash between counsel brought an abrupt halt to-day to the trial of the \$500,000 alienation suit brought by Lieut. Lorimer C. Graham, of the Navy Pay Corps, against A. L. Humes, a prominent New York attorney. The case was before Justice Stafford in the District of Columbia Supreme Court.

The central figures of the incident were Philip Ershler, associated with Daniel Thew Wright as counsel for Lieut. Graham, and Wilton J. Lambert, also a Washington attorney, and counsel for Mr. Humes. The court at the afternoon session took cognizance of the charge that Mr. Ershler, during the noon recess, had addressed certain remarks said to have been profane in their nature to Mr. Lambert.

Mr. Ershler is understood to have taken exception to certain statements made by Mr. Lambert in the opening of the case to the effect that he expected to escape the draft law obtained a "bomb proof" job in the navy so he would not have to serve in the army.

It appears that Mr. Ershler went to Mr. Lambert when the noon recess was taken and, in the presence of lawyers and newspapers, said:

"Lambert, if you had made the statements against me you did against Graham I would cut your heart out." The first day of the trial was taken up with the opening statements of counsel. Judge Wright opening in behalf of Graham. Wright stated he expected to show that Humes during the time that Graham was in the service and necessarily away from home for protracted periods was on terms of closest intimacy with the then Mrs. Graham and only visited the Graham home in the absence of the Lieutenant.

In reply Mr. Lambert outlined that he expected to show that when Graham married his wife, who was formerly Miss Elsa Portner, in New York in 1911 he was practically penniless and from the date of his marriage until 1919 when his wife divorced him he lived on the money derived from the estate of his bride's father.

Frequent acts of cruelty on the part of Graham and neglect of his wife when she was ill were alleged by Mr. Lambert. Counsel for the defense stated that he would show that Mrs. Graham finally in desperation turned to her friend Humes, who was an attorney, in an effort to find some way to extricate herself from the marriage which had proven highly undesirable.

Judge Wright also intimated the divorce obtained by Mrs. Graham in Reno, who not only accompanied the woman to Chicago on her way west but stayed in that city with her several days.

WATSON SEES BONUS BILL.

Senator Discusses Congress Message With President.

WASHINGTON, Nov. 28.—Senator Watson, Republican (Ind.), discussed with President Harding to-night matters which may be included in the formal message to Congress next week, upon which the President is now working.

As his personal opinion Senator Watson expressed the belief upon leaving that "nothing in the world" could prevent enactment during the regular session of a bonus bill for former service men. One new source of revenue had become available for the measure, he said, through the announced intention of the British Government to begin annual payments of approximately \$200,000,000 on the war debt to the United States.

LICENSE DATED BEFORE JULY EXPIRES JAN. 31

All Others Must Be Renewed Before December 31.

Automobile licenses issued before July 1 last will be good until January 31, the automobile bureau of the State Tax Commission announced yesterday. Licenses issued after July 1 were issued under the new law, giving jurisdiction over licensing to the Tax Commission instead of the Secretary of State, and expire December 31.

The decision will avoid a rush for renewals, giving most of the applicants another month to get used to the new system.

REVENUE MAN SENT TO PRISON FOR THEFT

Pleads Guilty to Embezzlement of \$28,500.

Frederick J. Kelly, a former internal revenue collector, was sentenced to serve one year and a day in the Federal prison at Atlanta yesterday by Judge A. N. Hand in the United States District Court, having pleaded guilty to the embezzlement of \$28,500 in Treasury certificates while in charge of the uptown office of the Internal Revenue Department.

Kelly, who lives at 501 West 179th street, denied any knowledge of the theft, which disappeared in June, 1919. After an investigation he was arrested by Agent Peter A. Rubano and subsequently pleaded guilty. While he was being questioned by United States Commissioner Hitchcock, a bundle of certificates was found in the latter's office, with a note that an innocent man was being accused.

Inasmuch as Agent Rubano arrested Kelly, he was about to dispose of \$28,500 of the certificates to a brokerage concern in Harlem, and he subsequently pleaded guilty, the authorities believe he was the sender of the anonymous note and the remainder of the certificates. A motion was made to dismiss the charge against Kelly's landlady, Mrs. Elizabeth Von Nostrand, who is being held in \$500 bail.

PORTO RICANS ARRIVE TO FIGHT GOV. REILLY

Demand His Removal for Sake of Justice.

A delegation of Porto Ricans headed by Antonio R. Barcelo, President of the Porto Rican Senate and leader of the Unionist party, arrived yesterday from San Juan by the Porto Rican liner Porto Rico and will go to Washington to demand the removal of E. Mont. Reilly as Governor of the island.

The delegates declare that they want the Governor to go "for the sake of justice and the prestige of the United States."

Walter MacJones, native of Massachusetts and a farmer and Vice-President of the House of Representatives, said he had lived twenty years with the Porto Ricans and had found them liberal minded and as staunch Americans as the best in the United States and more so than many. He called Gov. Reilly a "snipe hunter" and alleged that Kelly had "started campaigning around the island in company with a Spanish Bolshevik." Other delegates said the Governor, before taking office had announced that he was going to wipe out the Spanish language.

AID UNITED HOSPITAL.

Real Estate Men Seek Contributions to Fund.

A committee of real estate men headed by Joseph P. Day will seek contributions to the United Hospital Fund from real estate interests, using the argument that hospitals make New York a desirable place in which to live and so increase real estate values.

"Keeping up property values through aiding the hospitals is a wholly sound and practical matter," Mr. Day said in announcing the committee.

BANDITS GET \$3,000 FROM THEATRE SAFE

Four Men Chloroformed and Bind Watchman of Bohemian National Hall.

8 FUR ROBBERS ELUSIVE

Police Get No Trace of Men Who Ignored Burglar Alarm on Door.

Four bandits broke into Bohemian National Hall and Annex Theatre, 321 East Seventy-third street, yesterday, chloroformed and bound the watchman, Anton Skrepanek, and robbed the theatre safe of \$3,000 in cash and Liberty bonds. The men entered the room from the fire escape of a neighboring tenement.

After binding the watchman they threw him behind the bar in the cafe of the building, where he was found by workmen in a dazed condition, unable to tell for some time what had happened to him. The burglars left behind a complete set of tools.

The police have no trace of eight men who drove up to the fur establishment of Surtz & Fuchs, Twenty-seventh street and Seventh avenue, Sunday night, placed two armed guards on the sidewalk to keep the crowd back and robbed the store of furs worth \$15,000. There was a burglar alarm on the door. The thieves disregarded it working so quickly that they got away before detectives summoned by the alarm arrived.

Thieves operating in a similar way got \$8,000 worth of furs from A. Pierce & Co., 218 West Twenty-eighth street, Thursday, and \$12,000 worth from A. Epstein & Co., 302 Seventh avenue, Sunday.

Three robbers drove up in a taxicab to the delicatessen store of Otto Haag and his mother, Mrs. L. Haag, at 311 East Seventy-third street Saturday night, ailed the proprietors with revolvers and stole \$100 from the cash register.

Two men who represented themselves as policemen took a gold bag and bead necklace by force from Miss Alice Reiss of 4 West 108th street at her apartment Friday. Later she was told by telephone the articles would be returned. Late Sunday, the police say, James Fitzsimmons, 45, of the Hotel Edicott, appeared with the articles and was arrested. Magistrate Renaud held him for examination.

Judge Humphrey in Queens County Court announced the "county one of Queens is a dead line for crooks" and sent Thomas Fletcher, 23, to Sing Sing for nine years, and Charles Bessey, 39, of the Mills Hotel, and Peter Butts, 24, of 229 Grand avenue, Astoria, to the same prison for four years and five months each. All were charged with burglary.

AUTOMOBILE SALON HAS NEW FEATURES

Included Is Some of Best Chassis and Custom Coach Work Ever Seen Here.

ALSO MANY SURPRISES

The Enclosed Body Types Show More Glass and Fewer Panels.

The prevailing opinion of automobile authorities who have attended the seventeenth annual Automobile Salon, which opened at the Hotel Commodore Sunday night, is that the exhibition features some of the best chassis and custom coach work ever brought together in the United States. Those who have gone to the Commodore show have found many surprises, the most unusual of which are the developments in chassis design and construction. These are accentuated by the exhibition of made stripped chassis which disclose such features as straight-eight motors and four wheel brakes.

There is nothing of a radical nature shown in custom coach work. New bodies have been created by changes in the prevailing designs, and appearances have been altered by a more artistic treatment of fenders, running boards, lamps, etc. The enclosed body types show more glass and fewer panels. New standards have been set in upholstery materials, fittings, color effects, provision for extra seats and other details which make for comfort and appearance.

In addition to the American cars there are machines from England, France, Belgium, Italy and Germany, and thirteen body builders have special exhibits. The salon will be continued this week and will be repeated in Chicago in the latter part of January.

NEEDLE UNION DECRIES APPEAL TO WASHINGTON

Schlesinger Says Employers Evade Issue.

Attempts of the Cloak, Suit and Skirt Manufacturers Protective Association to have Secretary Hoover and Secretary Davis intervene in the present strike of 55,000 garment workers were characterized yesterday by Benjamin Schlesinger, president of the International Ladies Garment Workers Union, as "an attempt to evade the issue." Mr. Schlesinger said:

"There is a written agreement in the industry duly and formally executed by the Cloak, Suit and Skirt Manufacturers Protective Association in behalf of its members and by the International Ladies Garment Workers Union and the Joint Board of Cloakmakers' Union of New York in behalf of their members. This contract states in express terms what the parties thereto have decided shall be the conditions of employment in the industry until the first day of June, 1922, and we cannot allow our employers to cast off the obligations assumed by them."

J., and bill clerk in the New Jersey State Senate in 1913 and 1914, was stabbed in an altercation with three unidentified men early yesterday and died a few hours later.
